## Johnson Lifts - A Prominent Pioneer in Government Metro Projects

## We are the **No.1 Lift Company In India**

Why we are No.1?

Sales over 3000+ crores INR

9000+ Employees

18000+ Lifts  
Production Capacity

Our R & D Capability

4 state-of-the-art manufacturing facilities. 3 for Lifts and 1 for Escalator.  
1 in Central and 3 in South India

Our Cutting Edge Technology

## Johnson Lifts' Strengths

Long years serving employees

Quality & Reliability of Product

On-time delivery

Large Manufacturing Capacity for Lifts and Escalators

Commitment to Schedules

Expertise in Project Management

On-time service & maintenance with quick response

Hands-on Management thereby quick response and flexibility

Repeat Customers (Builders/ Industries/ Govt. Department / Turnkey Contractors) - Owing to customer satisfaction

## Service Strength

Mobile Van, Smart Phone Application & Training Centers

### Quick Response Service :-

One of our core strengths is in the service facility wherein, a mobile van along with a highly experienced team is assigned to reach an elevator or escalator installed site which needs immediate Attention.

Every service job is assigned to the concerned service engineer on a mobile application and further progress is monitored and recorded every time.

### Training :-

We have 6 fully equipped training Centers. Our employees are rigorously trained in a classroom environment, in simulated conditions and on the job under the supervision and guidance of experienced trainers of the company

# Johnson Lift's Prestigious Clientele

## Residential Apartments

## Major Govt Projects

## Hospitals

## Malls

## Educational Institutions

## Hotels

## Johnson Lifts - Policies & Certifications
